

# Horizon Program

On October 16<sup>th</sup> and 17<sup>th</sup>, 2010 the Arkansas District will be hosting a Horizon Program in Morrilton, AR at UACCM starting at 8:00 AM. This program is a two day experience in Teamwork, Self-Awareness, Interpersonal Communication, Building Better Chapters, and Having Fun.

How to get the most from Horizons! You can learn as much or more from each other than from us - so SHARE. Interactive programs - the more everyone participates, the more everyone learns. Be willing to leave your "Comfort Zone" (no risk - you are among friends).

I have to have everyone that would like to attend please send me an email with your name and email address and a phone number so I can make a database and to order the supplies we will need as well as the hanger bars and certificates. The cutoff date is October 1, 2010.
