Gold Wing Road Riders Association

GWRRA is an International Association of Gold Wing and Valkyrie motorcycle riders. **GWRRA** was formed for people with whom we can exchange ideas , share safety information relating to motorcycling and motorcyclists , educate the non-motorcycling public concerning motorcycling problems and participate in impromptu rides. In addition it supports the Motorcycle Safety Foundation (MSF) and assists all motorcyclists in achieving and/or improving public acceptance of motorcyclists.

GWRRA is a family – oriented organization without political or religious affiliations or influence and supports civic , local , police , charity and government organizations. **We are a not-for-profit organization and the only income we have is from member contributions and a day “Rally” that we hold once a year so that we can publish a monthly newsletter and support a local charity each year at Christmas. We never know what Charity that it will be until we have a drawing of members names and that member picks a Charity of their choice.**

Any and all donations are greatly appreciated.

Thank you
