

GWRRA Region H Newsletter

Friends for Fun, Safety and Knowledge

From the Region Director
Reba and Jim Berry

Director's Corner

Another fun filled Wing Ding has come and gone, despite Mother Nature (Hurricane Harvey) and a gasoline panic. We met a lot of new friends and visited with a great number of old friends. We even got great advice on our upcoming ride to Nova Scotia along with offers to tour guide and arrange picnics along the way. Thanks friends!

We want to give a big ole thanks to all those volunteers who help Region H with their assigned chores. First, TX Chapter M, Arlington/Mansfield, Kristee and Wayne Orr Directors. They showed up at 8:30 with 8 other chapter members and put in a hard 5 hours helping set up the GWRRA store on Monday. Then, we had a great many volunteers manning the pre-registration booth Tuesday thru Saturday. Some liked this job so much they wouldn't quit. They kept coming back shift after shift, day after day. Thanks to those guys. Incidentally, one of these volunteers left a fleece hoodie in the booth and we

have it in our possession. If it's yours, call or email me and we'll get it back to you. Last but not least were the bike show volunteers. These guys had to go out on the Grapevine Mills Mall parking lot bright and early Saturday morning and we really appreciate their efforts.

A lot of information was doled out to our District and Chapter Directors about the upcoming restructure of GWRRA. We were also informed a lot of things have not been nailed down yet and that info will come shortly.

Next year's Wing Ding will be in Knoxville. Here is a link to the Knoxville video shown at the opening of this year's Wing Ding:

Now, what's next. September 28-30 is the Oklahoma Rally in Muskogee. Make plans to

Upcoming Events	3

attend. OK always provides a great rally and this will be the last one for Region H.

November 3-5 is the Region H ride-in starting in Van Buren, AR on Friday the 3rd, riding up to the HUB on the 4th and riding home on the 5th. We are thinking this ride-in may become an annual reunion for Region H. Info is on the Region webpage at www.region-h.org.

Reba and I, along with 2 other couples and a single, will soon start our 27 day ride to Nova Scotia. So if you need us we might be a little slow in responding. VT fall foliage and the Cabot Trail take precedence over answering the cell phone. But we will get back with you.

Have fun, be safe,

Jim and Reba
